EXPLANATORY NOTES ON CERTAIN BUSINESS OF THE ANNUAL GENERAL MEETING

Resolution 6: Authority to purchase Company's own shares

This resolution, which will be proposed as a special resolution will, if passed, give the Company authority to buy back its own ordinary shares in the market as permitted by the Isle of Man Companies Acts 1931 to 2004. The authority limits the number of ordinary shares that can be purchased and sets minimum and maximum prices.

The Directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review, taking into account the cash reserves of the Company, the Company's share price or other investment opportunities.

Any purchases of ordinary shares would be by means of market purchases through the London Stock Exchange.

The authority will only be valid until the conclusion of the next annual general meeting or 18 months after the date on which resolution 6 is passed, whichever is earlier.

Resolution 7: Disapplication of pre-emption rights

This resolution, which will be proposed as a special resolution, seeks approval with respect to the disapplication of the provisions of Article 5.2 of the Articles of Association. The existing ordinary shares to which a disapplication applies comprise approximately 1.89% of the current issued share capital of the Company. It is proposed to enhance the limit to 5% and hence the authority of the members is being sought for this purpose.
